

ATC Fuse Block 6 & 12 Way

100A Max

Features

- ▶ Main Line : M5 threaded studs (100A 32V DC max.)
Wire size : #4-6 AWG
- ▶ Single Line: M4 threaded studs (30A 32V DC max.)
Wire size : #12-16 AWG
- ▶ Base Material: PBT
- ▶ Cover Material: PC (Transparent)
- ▶ Screw : Stainless Steel
- ▶ Terminal : Nickel Plated Copper
- ▶ Red LED indicates when fuse is broken

Specification

Voltage	32V DC
Input Terminal Rating	M5 threaded studs (100A max.)
Input Wire Size	#4 ~ 6 awg
Output Terminal Rating	M4 threaded (30A max.)
Output Wire Size	#12 ~ 16 awg
Terminal Circuit	12 Way
Fuse Specifications	ATO or ATC fuse 1A to 30A
Base Material	PBT
Cover Material	PC (Transparent)
Terminal Material	Nickel Plated copper
Screw Material	Stainless Steel
Torque Rating	20 in-lb (2.25Nm) max.
Mounting Torque Rate	8 in-lb (0.9Nm) max.
Temperature Rating	-4°F to 185°F

12Way Part # 3200-0001-012

6Way Part # 3200-0001-006
